INSTRUCTION ON COMPLETING THIS FORM

The Laws of Guyana require that incoming passengers declare the articles they acquire abroad (whether worn or used, whether dutiable or not, and whether obtained by purchase, as gifts, or otherwise) which are in their possession at the time of arrival. Any repairs done abroad must also be declared.

On oral declaration may be made by the incoming passengers providing the total price of articles declared (price actually paid or if not purchased, fair retail price in country where obtained) do not exceed the equivalent of One hundred (US\$100.00) in Guyana Dollars.

If the value exceeds US\$100.00 then the incoming passengers must list in writing on this side of this form all articles and repairs acquired and done abroad which they are now bringing through Customs.

All baggage of passengers, (including handbags and hand-carried parcels) may be examined. Any false declaration made to a proper officer is punishable by law.
